

# Will YOU Be God's Wind in Our Ministry Sails?

Dear Friends,

We are writing to ask you to prayerfully consider joining our financial support team on a monthly, quarterly, or annual basis starting now. Over the last ten years we've experienced many generous responses from our ministry partners, and God continues to give us incredible ministry opportunities. ***By God's grace and power—AND because of the prayer and financial support of God's people like YOU, we are able to take Jesus-like discipling, equipping, and encouragement to thousands of people in hundreds of churches and ministries each year—with about 200 people making first time commitments to trust Christ as Savior!*** God is at work and we love being along for the ride. That's why we ask you: *Does God want you join us for this crazy fun and fruitful ride?*

One important reason we are raising ministry support is so we can continue to partner with under-resourced average and smaller-size churches and ministries. Hence, we can't take this amazing journey as Cadre missionaries without a consistent team of financial supporters.

Will you prayerfully consider taking a step of faith with us by becoming a regular financial supporter of our ministry with Cadre in the range of \$5-\$500 per month as God directs? ***We can assure you that ANY level of regular support will bless the socks off us—and enable us to multiply your blessing to many others!*** Please use the enclosed response card to let us know how God leads you on this matter.

We KNOW God has men, women, and churches He wants to be on our financial ministry team. Our goal right now is to identify the rest of the team.

***We can't do Cadre without friends and ministry partners who will support us prayerfully and financially.*** So, would you please seek God about becoming a regular supporter of our ministry (monthly, quarterly, or annually) and do whatever He leads? Our trust is in God. Our friendship with YOU is NOT on the line!

For the King and HIS Kingdom,

Bill and Stacy Allison

***P.S. Any level of regular support would be a significant encouragement to us, and, as we always have, we promise to steward your sacrificial giving to our ministry wisely and judiciously.***
