## Celebrating How God Is Making an Eternal Difference Through You and Cadre Ministries... for His Glory!

Bill,

My experience in the Peoria Area Leadership Community (PALC) has been nothing short of life-changing. 1) I have a vision for making my teaching more like Jesus-like training. I have personally seen some GREAT fruit from doing this and am very grateful to have seen it modeled by you. 2) I have a new heart for making disciples. My primary focus is making "more and better disciples." 3) The resources, tools, and training labs are outstanding. I am not exaggerating at all when I say I will use this year's worth of discipling training resources 10x more than I will ever use what I received in college. Peter Lindell, Regional Director, Camp of Champions USA

hey bill, i want to thank you for speaking at our camp. It was life changing. Because of you i accepted christ as my savior. i am taking the 21 day challenge through the book of John. i just wanted to let you know how God used you. May God bless you and your family.  
Ken, age 14

Hey Bill,  
Wow did you ever bless all the people who came to the Becoming a High Impact Teacher / Small Group Leader training. They are still talking about it. You are a huge blessing to us!  
Thanks,  
Clay Harlin  
Teaching Pastor  
Brentwood, TN

Dear Bill...A deep thank you for your part in our Bemidji, MN, weekend of training. Every opportunity I have to invest time with you, Bill, deepens my love and appreciation for you as a friend, a colleague, and a consultant. You provided me with tremendous affirmation in several things we are doing...and specific challenge and prodding on others we need to pursue. It is this kind of input that is essential for me personally and MCMA corporately. I value it highly and thank God for your faithfulness in walking with us through challenging times. Rev. Tim Johnson, Executive Director, Minnesota Church Ministries Association
