The Allison family on the road to ministry to junior high school students at Timber-Lee Camp in East Troy, WI, last month.

Wooo hooo! 2009 is off to a God start!

Starting the New Year Right!

On the New Year's Eve Riverlife Cruise, Bill shared the Gospel and 24 people indicated that they trusted Jesus Christ as their Savior! A couple of weeks later, at Timber-Lee Camp in East Troy, WI, at least 35 students trusted Jesus

Christ as Savior! One student wrote:

"Hey Bill, I want to thank you for speaking at the retreat. It was life changing. I accepted Jesus Christ as my savior. Every time you talked, I felt like you were talking directly to me. Everything you were saying I could

relate to. I'm doing the 21 day challenge [reading the book of John one chapter a day for 21 days], and I'm determined to succeed. You are doing a great thing. Keep up the good work. —Kevin

We celebrate your partnership with God, us, and Cadre. **Thank you!**
