ON THE PLANE TO COSTA RICA FEB. 2008

On June 6th, Emily, Bill, and Aubrey will be going to the Dominican Republic on a mission trip with their youth group.

Have you ever wanted to truly impact the world for Jesus Christ? During the next several months we (Emily, Bill, and Aubrey) will be preparing to go on a mission trip to the Dominican Republic with 30 other students and leaders from our home church in Peoria. Our traveling and ministry dates are Junes 6th-June 15th.

This project will have two focuses: **1) Child evangelism.** We will provide several evangelistic programs within the barrios and schools throughout the trip. **2) Construction project.** The team will focus on one or two projects at the CCED School or in the surrounding community. During the evening hours the team will be able to play, minister, and visit with the Dominican families.

We need both **prayerful** and **financial** support! We need people who will make it a priority to pray daily for us. We'll communicate our prayer needs prior to departure so you know exactly what to pray for us about. And now for the money...

Altogether we (Emily, Bill, and Aubrey) need to raise about \$4,800 total. **Will you partner with us?** If you feel this something God would have you do, please send a check with the memo "Allison Kids—DR" to Northwoods Community Church, 10700 N. Allen Rd. Peoria, IL 61615. Thank you so much for taking the time to read this letter and for prayerfully considering supporting us!
In Christ,
Emily, Bill, and Aubrey Allison
