2 Timothy 2:2 disciple-making multiplication!

Bill,
My experience in PALC has been nothing short of life-changing. I have a vision for making any teaching or training more Jesus-like. I have a new heart for making disciples.
Peter Lindell

Bill,
The training materials are great, the ideas for discussion are enlightening, the coffee and sweets were amazing, but what I will take and apply immediately in my life and ministry is the impact of gathering a "cadre" of believers, slowing down, listening to what God is doing among us, and taking time to lean into that.

Cary Hendricks
