

# THE ADVENTURES OF JESUS, YOU, & CADRE

## Last Month: A ministry leader writes...

*"Bill, through our friendship and regular interaction, you have heavily influenced me over the last few years—and your influence always points me to Jesus. With that kind of steady diet, I find myself regularly asking these kinds of questions:*

- *How did Jesus make disciples?*
- *If Jesus was modeling for us how we should make disciples, then what needs to change in my life for this to happen?*
- *What does Jesus-like discipling look like in the 21st century?*

*Thanks for walking with me as I grow in my conviction and application of Jesus-like discipling."*

Making Disciples... Last month at one of our Disciplemaking Learning Communities. It's a time of encouraging our hearts and equipping our hands... and reporting back on our attempt at living a lifestyle of Jesus-like discipling (aka: The Peoria Area Leadership Community #5).
