

# Equipping Volunteer Leaders

God is using  
YOU to make  
Cadre  
happen!

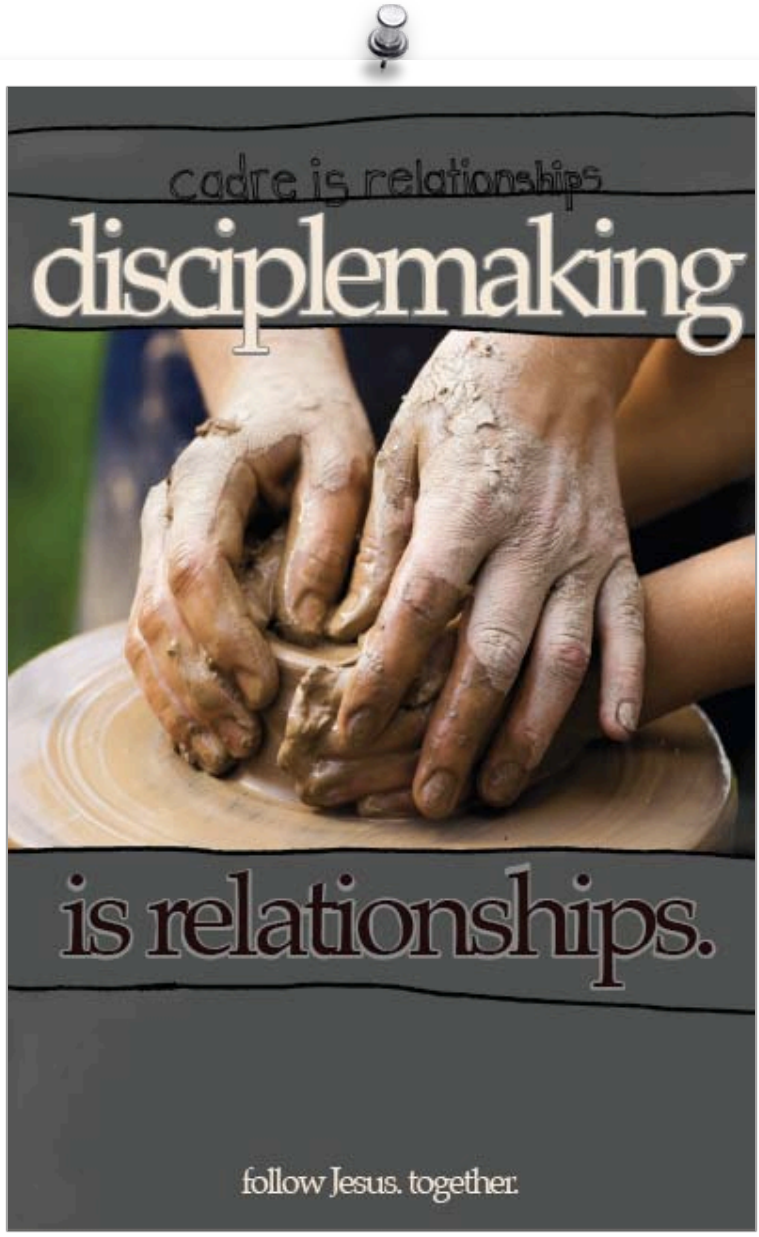

[Right] Bill trains and equips a room full of volunteers in *The Teaching Genius of Jesus*. This Ephesians 4:11-12 ministry is only possible because of friends like you! THANKS!

## Coaching Staff

[Left] Last month we were able to invest a day encouraging and coaching the staff of Mt. Olive Church in Chicago, IL. This wouldn't have been possible without friends and ministry partners like you who pray and financially partner with God and us. From our hearts to yours, THANK YOU!

# Making disciple- makers

Because of friends and ministry partners like you, we get to strategically invest our lives encouraging and equipping disciplers... who are making more disciplers... who are making even more disciplers, *ad infinitum!* Only Heaven will reveal the way God is using you via Cadre Ministries for His glory! Please continue to pray for us as we encourage and equip disciplers in April:

## We need your help!

Cadre's HP printer is dying! This printer was one of our very first purchases as a ministry eight years ago. We've rebuilt it several times over the last eight years, but she is really huffing and puffing now. A simple rebuild will not do. We need \$2,500 to replace her. Can you help us? If yes, please send a check to Cadre with "printer" in the memo! Thanks!

Please send all donor support to:  
Cadre Ministries, PO Box 278, Sycamore, IL 60178  
"Allisons" in the memo. THANK YOU!
