The Allison kids taught some crazy camp kids to the junior highers too. It's their ministry!

God is doing way more than this update can communicate, so let me give you just a little taste.

Bill (17—second from left), served Jesus this summer with Camp of Champions as a counselor. As a family we enjoyed his constant story-telling about the fun and challenges he had with the kids each day.

Listen to Bill's recent message, *How to Grow Old Without Growing Stale*, at [www.cupojewwithbill.com](http://www.cupojewwithbill.com)

**Aubrey (16), our summer missionary with Child Evangelism Fellowship, leads a five-day backyard Bible club in Peoria, IL.**

THANK YOU for your faithful and generous partnership with God, Cadre and the Allison's! We need your prayers and support—especially during these times of economic challenge. You are God's wind in our sails and we thank God for you. Please send all donor support to:
